PAIR DEVICE

Quickly press the power button 5 times to turn on the device. Ensure your phone has Bluetooth turned on.

Use your phone to pair to the device by selecting the unique device ID (find it on the bottom of your device).

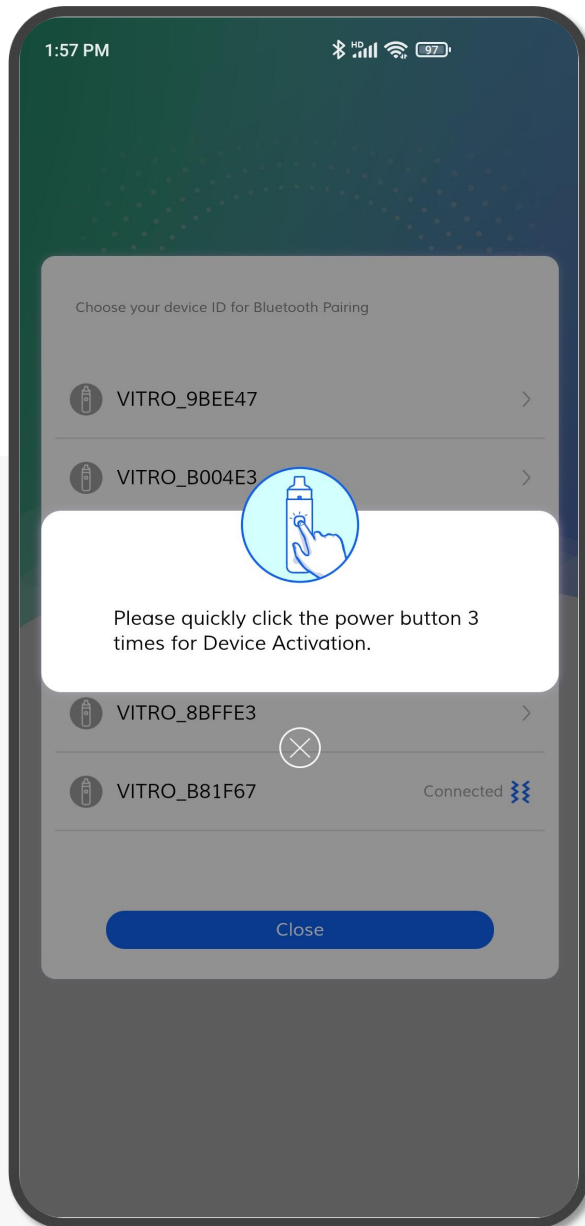

PAIR DEVICE

Select your user ID.

PAIR DEVICE

Quickly click the power button 3 times on your device to finish the pairing.

PART THREE

AGE

VERIFICATION

AGE VERIFICATION

5:51 PM

Note: For users in the United States "On Dec. 20, 2019, the President signed legislation amending the Federal Food, Drug, and Cosmetic Act, and raising the federal minimum age of sale of tobacco products from 18 to 21 years. It is now illegal for a retailer to sell any tobacco product—including cigarettes, cigars and e-cigarettes—to anyone under 21.

By signing up, I agree to the [Term of Use](#) and

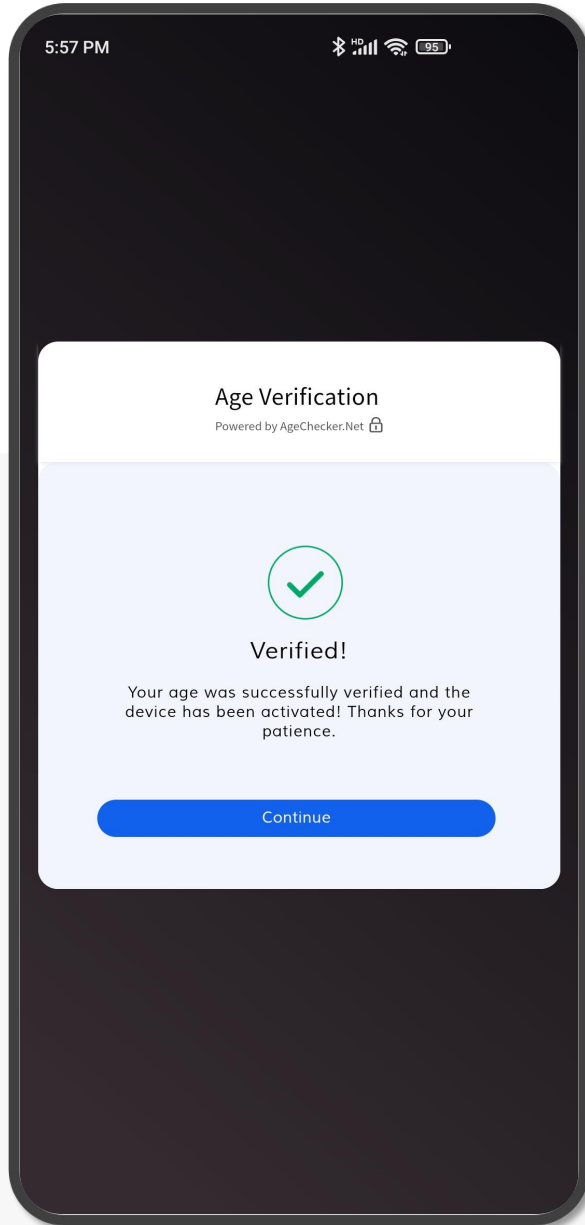

In accordance with federal law, the sale of tobacco products is prohibited to individuals under the age of 21.

Accordingly, users in the United States must download the VITRO app and complete the age verification process prior to using the device.

VITRO has partnered with <https://agechecker.net> to verify user age.

Please follow the instruction as shown to complete age verification.

Please make sure all your information is correct before submit or you may fail to verify.

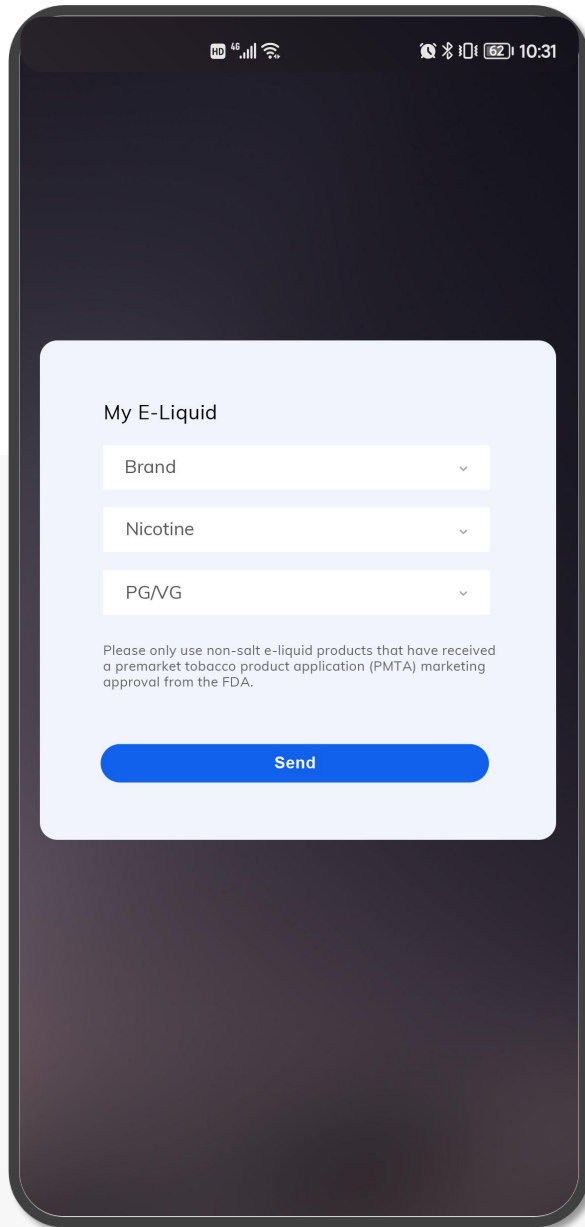

AGE VERIFICATION

Your age was successfully verified.

PART FOUR
**GETTING
STARTED**

INPUT E-LIQUID INFO

My E-Liquid

Brand

Nicotine

PG/VG

Please only use non-salt e-liquid products that have received a premarket tobacco product application (PMTA) marketing approval from the FDA.

Enter your e-liquid details into the app to enable better feedback from the app.

HOME SCREEN

POWER CONTROL

Tap the power icon to switch the power level between low/medium/high.

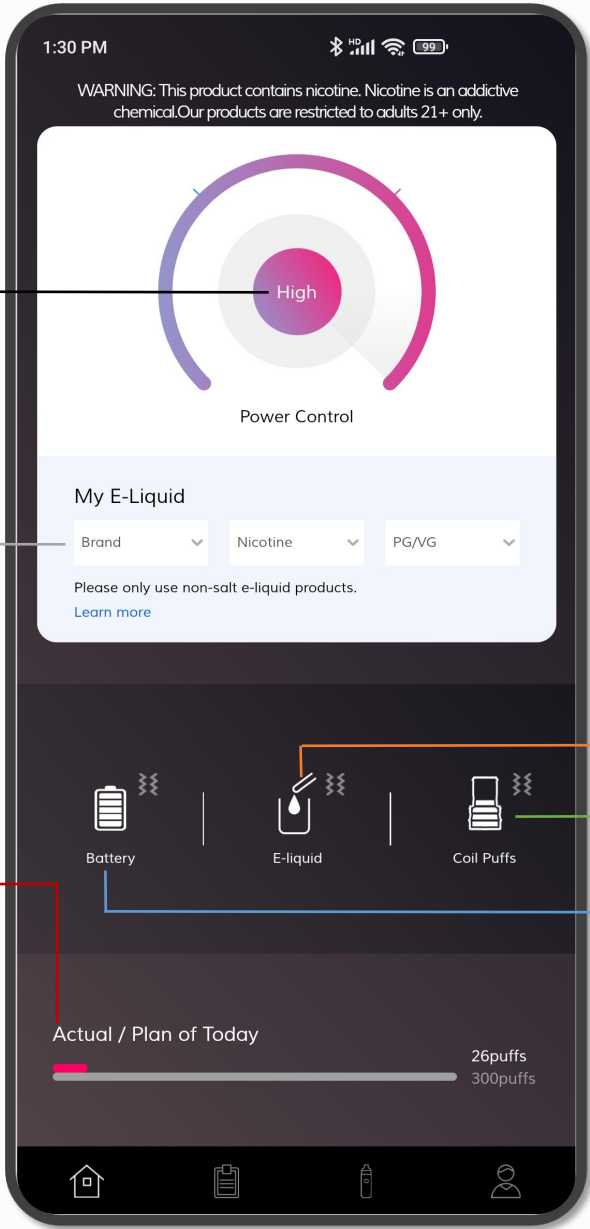

MY E-LIQUID

We suggest keeping our e-liquid information updated especially when you change to a new e-liquid to ensure accurate vaping data.

PUFFS OF THE DAY

Actual
Plan

BATTERY

You can quickly check the battery information by tapping the battery icon.

E-LIQUID

Tap the e-liquid icon to check the using suggestion for you.

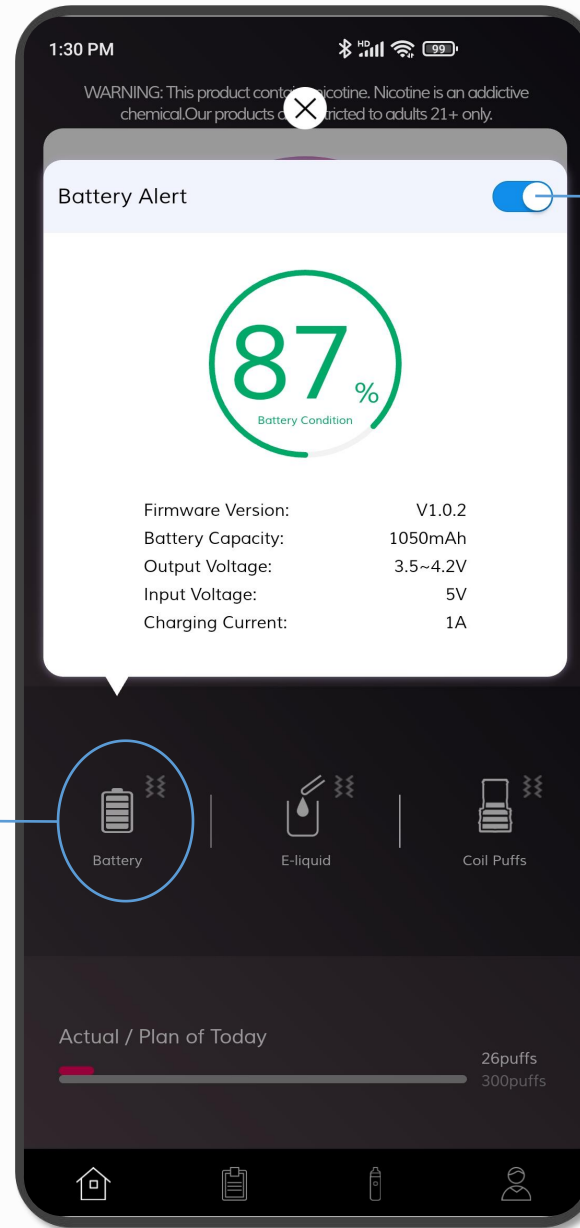

COIL PUFFS

Tap the coil icon to check your coil info and set your puffs plan.

HOME SCREEN

VITRO

BATTERY (LOW) ALERT

The device will vibrate with notification on your VITRO app when the battery level is below 10%. You can tap to turn it on or off.

You can quickly check the battery information by tapping the battery icon.

HOME SCREEN

COIL PROTECTION ALERT

The device will vibrate when coil protection has been activated in the app. You will also receive a notification in the VITRO app. Please check the coil condition and remaining e-liquid in the cartridge. You can tap to turn it on or off.

Tap the e-liquid icon to check the using suggestion for you.

HOME SCREEN

You can tap to lock/unlock. When it is locked, you are unable to adjust your puffs plan.

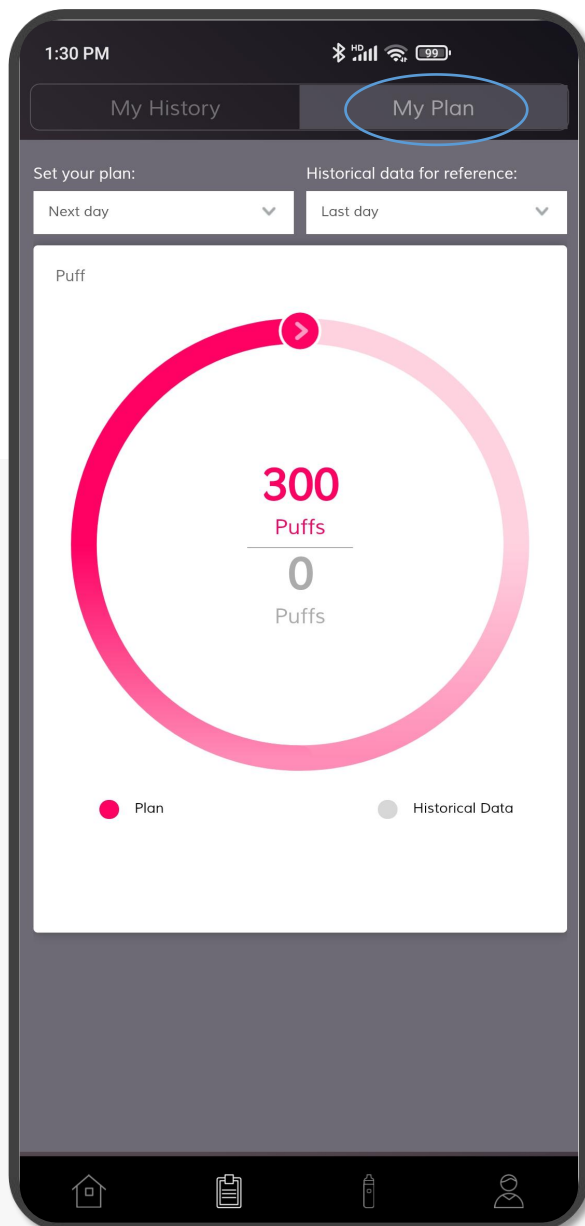

COIL PUFFS ALERT

Scroll the bar to set your coil puffs plan. The device will vibrate when your actual puffs reach your set puff value in the app. Please check the coil condition or update the puff setting accordingly.

You can check your actual vaping info on the coil you're currently using.

You can quickly check the battery information by tapping the battery icon.

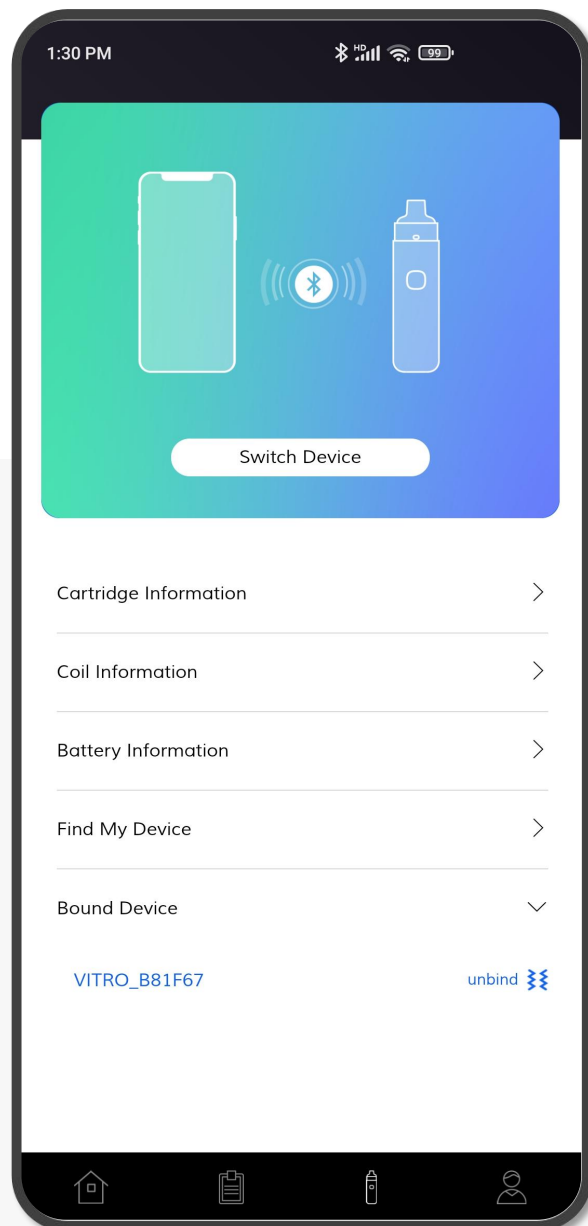

You can check your puff count and vaping time by day, week, or month.

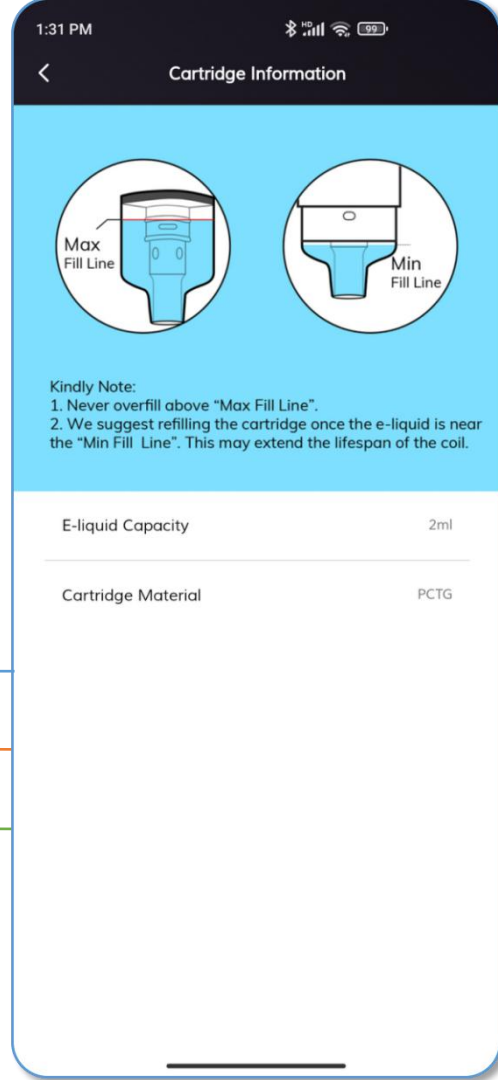

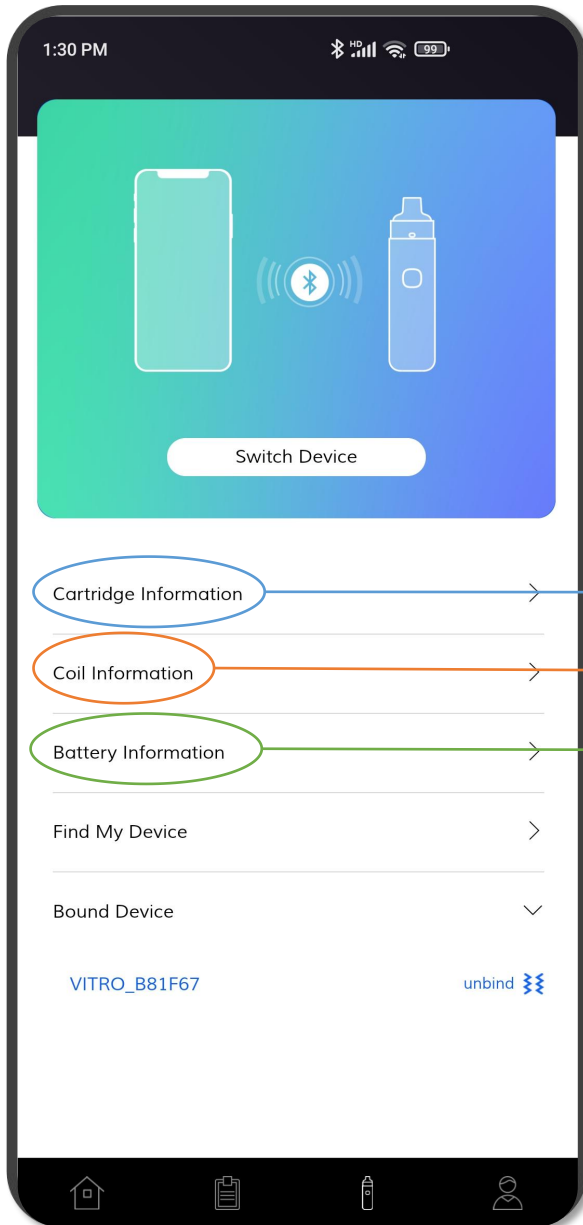

DATA - MY PLAN

Tap the control knob in the app to set your vaping plan for the next 1, 7 or 30 days. The control knob can be rotated clockwise to increase and counterclockwise to decrease the vaping plan.

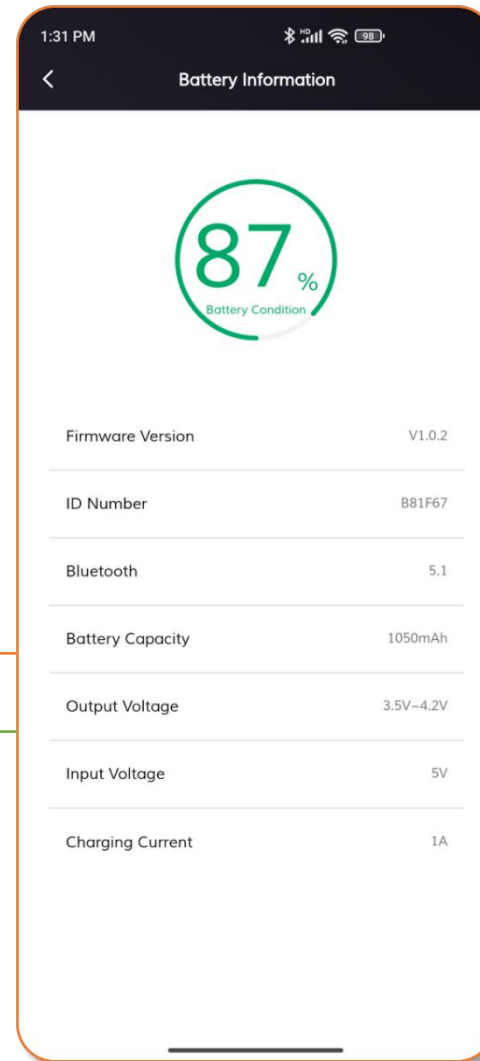

MY DEVICE

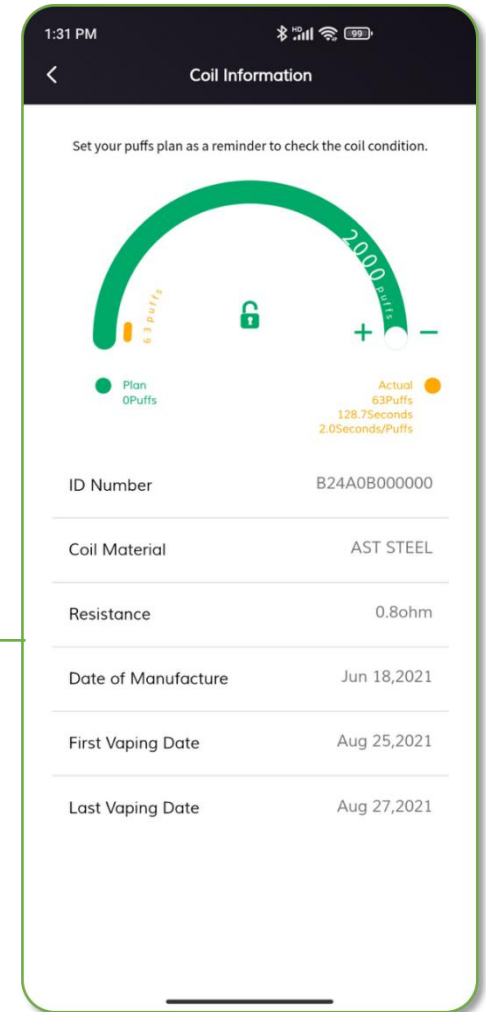

Here you can check the main information about your device, including the cartridge, the coil, the battery etc. You can switch to bind with another VITRO device or choose to unbind the current device with this account. Also if you cannot find your device, you can try 'Find My Device'.

Cartridge Information

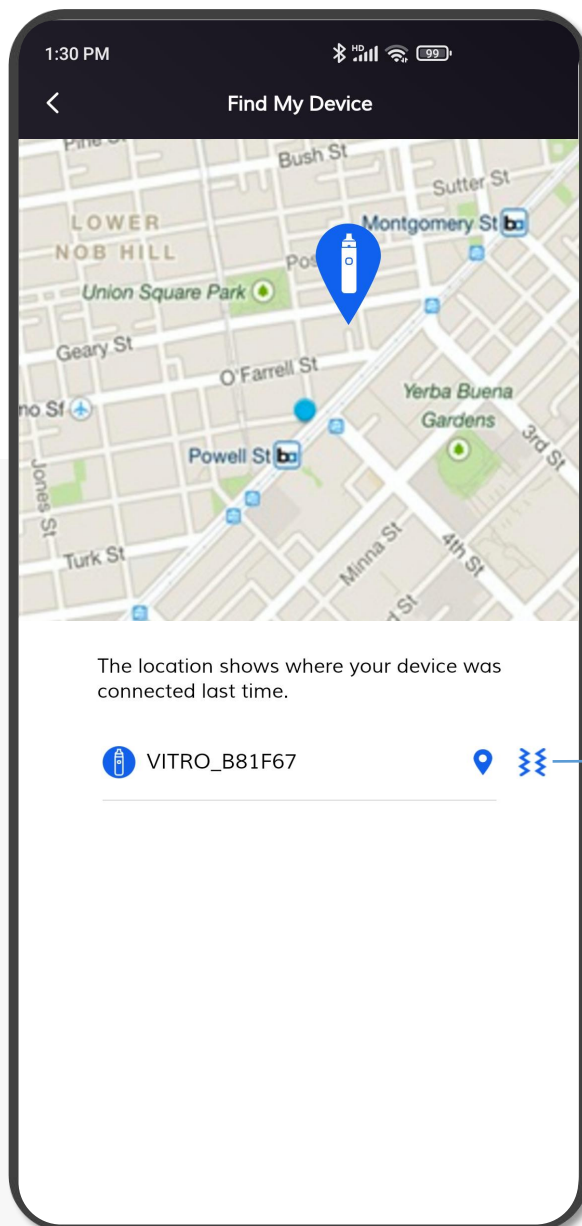

Battery Information

Coil Information

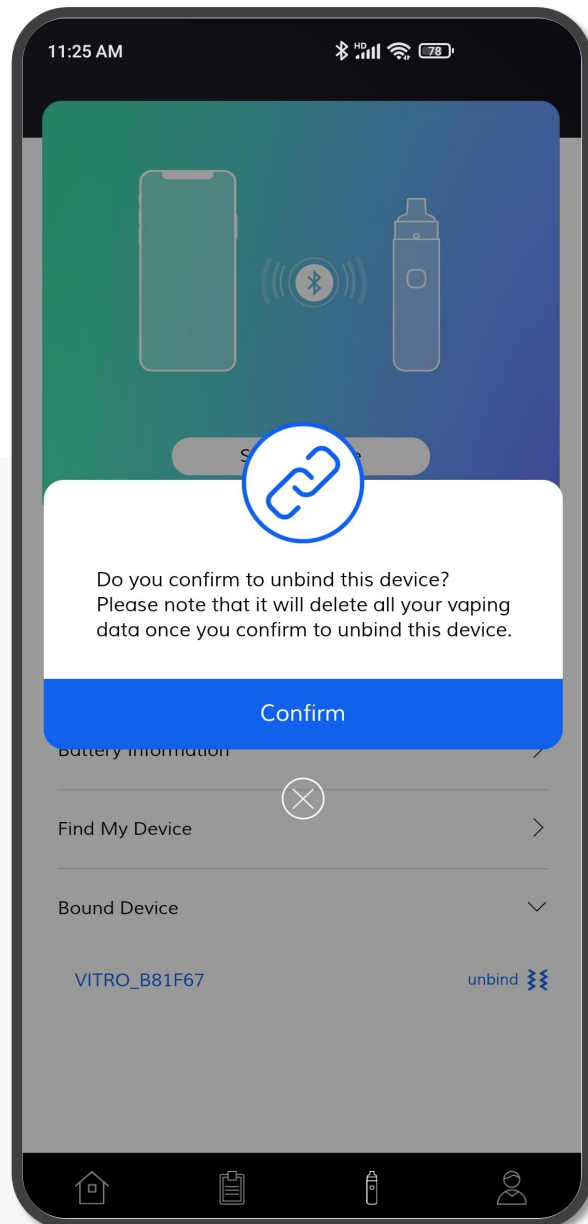

MY DEVICE - FIND MY DEVICE

If you cannot find your VITRO device, use 'Find My Device' to see the location where it was last connected to the app.

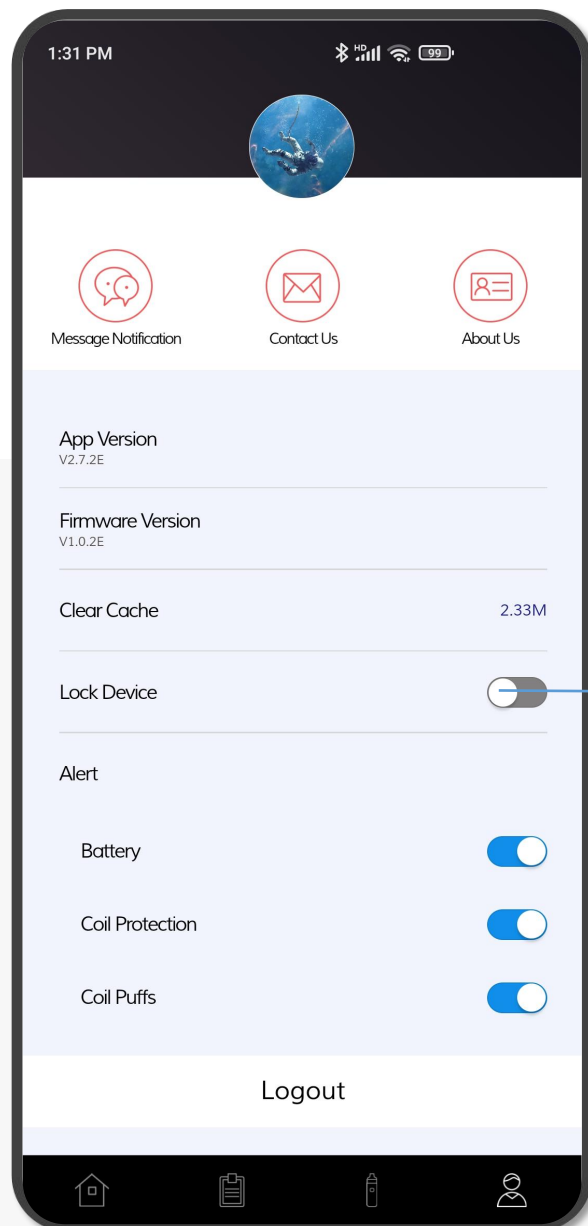

If it is still connected, tap the vibration icon to make the device vibrate.

MY DEVICE - UNBIND DEVICE

If you choose to unbind your device, your vaping data will be deleted. The device will be reset to default. You need to go through 'age verification' again when you bind it to a new account.

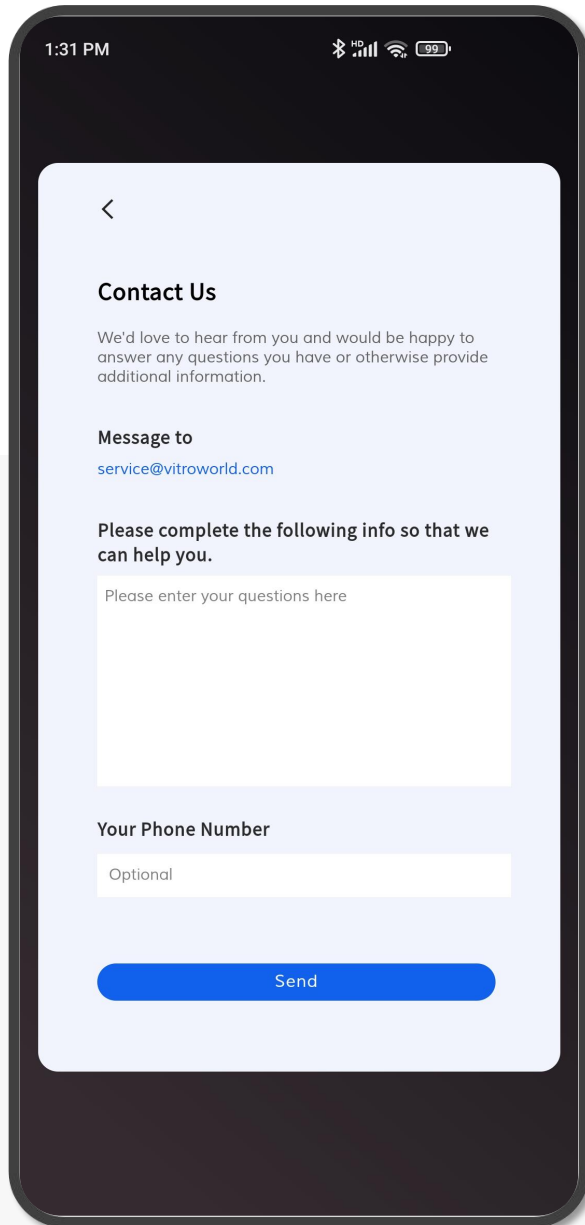

PROFILE

Here you can set your profile photo, contact us and check the messages. Also you can check the App version and Firmware version. You can turn on/off the alerts, which is the same as you can find on the home screen.

Lock Device: When it is enabled, you cannot use the device. This function is designed for safety concerns in case you need.
